

HAMILTON NISSAN COLLISION CENTER

Hagerstown, MD

has an opening for a body shop estimator/advisor.

We have expanded our body shop operations and partnered with additional insurance companies to add drive-in/drive-by repair services. **Therefore, we need additional staff.** Do you enjoy helping customers? Are you organized and enjoy a fast paced environment? Do you take pride in getting the job done correctly? If so we may have a position for you. We offer:

- Commission based pay plan with a 90 day guarantee.
- Paid training
- Paid vacation
- Group Health Insurance
- Life insurance
- 401k retirement plan with an aggressive match and a short vesting period

Qualified candidates **must** be proficient at writing estimates using CCC1/Pathways estimating system. A working knowledge of Rome/Complete Shop is helpful. We are a direct repair facility for major insurance companies. Therefore, knowledge and experience working with adjusters is required. Our shop is busy. Our skilled technicians are some of the best in the industry. We have a clean facility, new equipment, and a qualified parts department ready to assist you. Our management staff is focused on your success.
